

## 2012 Price List

Affordable Training Solutions Ltd deliver Health and Social Care Training courses to Domiciliary Care Agencies, Nursing and Residential Care Homes, Schools, Nursing Agencies, and to anyone who requires specialised training courses.

We offer all the courses that are mandatory under the CQC regulations. We can be totally flexible to suit you, whatever makes life simpler. You can send your staff to our training facilities or our highly qualified Health and Social Care Trainer will visit you at your premises if possible and deliver the training course you require.

You will not be penalised on how many members of staff require training, simply choose any of our courses and send from 1-12 delegates, the price is not inflated if you only have 1 delegate that requires training.
